Safety & Security at MIT

MIT Police officers also provide emergency medical services and are EMT certified.

- Emergency: 617-253-1212, or dial 100 from any MIT landline
- Non-Emergency: 617-253-2996

Violence Prevention & Response (VPR) is MIT's primary campus resource for preventing and responding to interpersonal violence, including sexual assault, dating and domestic violence, stalking, and sexual harassment. All services are free and confidential for MIT students.

- Hotline: 617-253-2300

MIT Alert is the Institute's emergency notification program, designed to provide information and advisories via a number of communication channels including Institute voicemail, email and text message for the safety and security of the MIT community. MIT will only use the information you enter for life safety and public health emergencies.
